OF CALIFORNIA ORGANIZED
FOR POTENTIAL EMERGENCIES**

Document Order List

January 2008

GOVERNOR'S OFFICE OF EMERGENCY SERVICES - FIREScope – OCC
2524 Mulberry Street, Riverside, CA 92501-2200
Office (951) 782-4174 Fax (951) 782-4239

Document Control
(951) 320-6199 Fax (951) 784-3026
www.firescope.org

Ordering Information

Refer to the Document Control Points Listing page to find your appropriate contact to purchase FIREScope ICS/MACS documents. If purchasing documents from Document Control, please note that all document orders must be pre-paid by Visa/MasterCard, cash, check or money order before order will be shipped. Purchase orders accepted with pre-payment only. Indicate a street delivery address for DHL delivery if your mailing address is a post office box.

Fill out and fax document order form to either fax number above, and include a copy of the tax exempt/resale certificate, if applicable. The credit card receipt will be attached to the confirmed document order form that will be included in the order. All orders will be shipped DHL or U.S. Postal Service within ten days upon receipt of payment. A completed document order form with a confirmation notation and tracking number on the bottom of the form will be faxed showing the total cost due for documents ordered, plus shipping costs, and state sales tax (if applicable). Confirmed document order is invoice. Please forward a copy of the confirmed document order form along with this Order Information Sheet to your Accounting Branch to request payment. Make payment to "State of California, Office of Emergency Services." Mail a copy of the confirmed document order form with payment to OES FIREScope OCC, Document Control at the above address.

Electronic copies in PDF format will be available where noted for \$8 each per CD. FIREScope ICS/MACS documents can be downloaded at no cost from the FIREScope website address above. Contact Document Control at the phone number noted above if any questions.

All sales are final. Returns will not be accepted. Net 30 days. Prices are subject to change without notice. No same day or next day shipments. No credit card charges after the 25th of each month due to OES Accounting month-end report cut-off.

PLEASE NOTE: On the FIREScope Document Order Form under the **QTY** column, the number "1" is listed. This **means** that **only one** clean reproducible **copy** of that document **is available** through our agency. You must then reproduce your own copies from that original copy. If the **QTY** column is left **blank**, this **means** you can purchase an **unlimited amount** of that item.

EXCEPTION: The pocket-size ICS 420-1 Field Operations Guide (FOG) must be ordered through the Document Control in Riverside. Agency Document Control Points do not stock this item. The letter-size ICS 420-1A FOG is available free of charge on the FIREScope website or can still be ordered from Document Control.

FIREScope Document Control no longer sells documents that can be purchased from NWCG. The I-100 through I-400 module training series and other training material are available through the National Wildfire Coordinating Group (NWCG) at the National Interagency Fire Center in Boise, Idaho at (208) 387-5104, and fax (208) 387-5573/5548. Their website address is www.nwcg.gov. Click on publications. There are several documents available that you can download free of charge.

Another source for training materials is the CDF-Office of the State Fire Marshal, State Fire Training Division. Documents can be purchased through the CDF website at www.fire.ca.gov.

Please be aware that FIREScope **only** sells the ICS and MACS documents listed that have been approved by the FIREScope Task Force via the Decision Process.

1/2008

GOVERNOR'S OFFICE OF EMERGENCY SERVICES - FIRESCOPE – OCC

DOCUMENT CONTROL POINTS

If you fall under one of the listed agencies below, contact that agency as your Document Control Point to purchase documents.

If you are under contract with the California Department of Forestry and Fire Protection (CDF), contact the Document Control Point listed for CDF or the State Fire Marshal Office.

If you are a California local entity or county that does not fall under one of the listed agencies, contact the OES Document Control Point listed.

If you do not have a Document Control Point, contact the FIRESCOPE Document Control Unit in Riverside.
