The Cal OES Fire and Rescue Services Advisory Committee/FIRESCOPE Board of Directors, Operations Team, Task Force and Specialist/Working Groups continue to improve the California Fire Service consistent with the organization's mission. The CAL OES Fire and Rescue Services Advisory Committee/FIRESCOPE Board of Directors have approved and initiated implementation of the following new or revised documents at their January 9th, 2019 meeting.

- FIRESCOPE ICS 801 Hoist Rescue Guidelines
- FIRESCOPE MACS 400-1 and 400-2 Document Updates
- FIRESCOPE MACS 405 Resource Status Report Update

A summary "FIRESCOPE Quarterly Briefing" is attached to provide clarity and understanding of the impacts and changes associated with the material referenced above. Please ensure these documents are widely distributed within your respective organizations and to the broader fire service community and impacted stakeholders. Additionally, the FIRESCOPE Quarterly Briefing contains the following updates, which are included to ensure appropriate communication and awareness of key California Fire Service initiatives that have recently been implemented.

- FIRESCOPE Co- Host with Cal Chiefs at the 2019 Fire Operations Technology Summit
- FIRESCOPE Unmanned Aerial System (UAS) Working Group Update
- FIRESCOPE Website Redesign
- FIRESCOPE Annual MACS Exercise Information
