

INCIDENT COMMAND SYSTEM

Hazardous Materials

LESSON ICS 361-9
Hazardous Materials
Group Supervisor

TOPIC:	HAZARDOUS SUPERVISOR	MATERIALS	GROUP
TIME FRAME:	20 Minutes		
LEVEL OF INSTRUCTION:	Level I		
BEHAVIORAL OBJECTIVE:			
• Condition:	Given a written examination		
• Behavior:	The student will recognize the roles and responsibilities of the Hazardous Materials Group Supervisor		
• Standard:	With a minimum 80% accuracy according to the information in the Incident Command System Hazardous Materials Module		
MATERIALS NEEDED:	Hazardous Materials Group Organization Chart, Control Zone Layout Chart, Lesson Plan ICS 361-9, Dry erase board and pens Written quiz		
REFERENCES:	ICS 361-9 Lesson Plan and ICS-1109 position manual for the Hazardous Materials Group Supervisor		
PREPARATION:	The Hazardous Materials Group Supervisor is responsible for implementing the phases of the Incident Action Plan dealing with the Hazardous Materials Group. This section will cover the responsibilities of the Hazardous Materials Group Supervisor as listed in the Position Manual ICS-1109. Using the checklist and knowing the scope of responsibilities will help you to operate safely and within the law. You will be given a written quiz at the end of this session. The performance standard is 80%

Group Supervisor

SUMMARY:

The position description and checklist just covered is the minimum consideration for the position of Hazardous Materials Group Supervisor. The most important items are safety-related ones: briefings, control lines, public protection, monitoring, a written site safety and control plan, meetings and the selection of proper protective clothing. The other checklist items are: tracking weather, participate in planning and completion of paperwork.

EVALUATION:

Give student quiz ICS-1109-LP

ASSIGNMENT:

Read pages 1-7 of the Hazardous Materials Group Supervisor Position Manual (ICS-1109)

LESSON ICS 361-9
Hazardous Materials
Group Supervisor

Incident Command System Hazardous Materials Module ICS 361-9 Quiz

Name: _____

Date: _____

Hazardous Materials Group Supervisor

Instructions:

This is a multiple choice quiz. For each of the following questions or statements, mark the letter preceding the one best answer.

Example:

Methods and operating procedures which reduce fire, water and smoke damage during and after fire are called:

- A. Overhaul
- B. Ventilation
- C. Extinguishment
- D. **Salvage**

1. Which ICS section is the Hazardous Materials Group Supervisor assigned to?
 - A. Finance Section
 - B. Operations Section
 - C. Planning Section
 - D. Logistics Section
2. What is the Haz Mat Group supervisor responsible for directing?
 - A. Entry Team Operations
 - B. News Media releases
 - C. Overall operations of the Hazardous Materials Group
 - D. Overall command of the incident
3. With whom does the Hazardous Materials Group Supervisor coordinate and approve the selection of personal protective equipment?
 - A. The Entry Leader, Safety Officer and Operations Chief
 - B. The Entry Leader, Tech Spec – HM Reference and ASO - HM
 - C. The Entry Leader, Tech Spec – HM Reference and Haz Mat Branch Director
 - D. The IC, Safety Officer and Entry Leader
4. The Haz Mat Group Supervisor is responsible for ensuring the development and implementation of a written:

Hazardous Materials

LESSON ICS 361-9
Hazardous Materials
Group Supervisor

- A. Communication Plan (ICS Form 205 HM)
 - B. Resource list
 - C. Site Safety and Control Plan (ICS Form 208 HM)
 - D. None of the above
5. Meetings and briefings that the Haz Mat Group Supervisor should conduct or participate in include:
- A. Operational period briefings
 - B. Planning meetings
 - C. Safety Meetings
 - D. All of the above
6. The Haz Mat Group Supervisor should ensure notification of which of the following agencies or groups?
- A. Local administering agency
 - B. State Warning Control Center
 - C. National Response Center
 - D. All of the above
7. The Haz Mat Group Supervisor must be trained to the minimum equivalent of:
- A. Federal, state and local laws and regulations
 - B. Local laws and regulations only
 - C. State laws and regulations only
 - D. None of the above
8. What is the ICS Form 214?
- A. Incident Action Plan
 - B. Incident Briefing
 - C. Unit/Activity Log
 - D. None of the above
9. With whom does the Haz Mat Group Supervisor coordinate current and future weather data with?
- A. Plans Section
 - B. Logistics Section
 - C. Technical Specialist – HM Reference
 - D. A and C
10. With whom does the Haz Mat Group Supervisor coordinate the establishment of environmental monitoring of the hazard site?
-
