

FIRESCOPE

REMS SUBCOMMITTEE CHARTER

MISSION STATEMENT

The FIRESCOPE Rapid Extraction Module Support (REMS) Subcommittee is tasked with the responsibility to review, update and maintain minimum operational standards necessary to support the REMS discipline.

RESPONSIBILITIES

The Group is responsible to the Chairperson of the FIRESCOPE REMS Subcommittee and will present the Chairperson with a single document for each project developed.

To review, update, maintain, and develop, as needed, the FIRESCOPE documents and products specific to the REMS discipline.

MEMBERSHIP

Members are selected as subject matter experts representative of the California Fire Service from local, county, regional, state and federal agencies. Members have the responsibility to speak for their areas of representation in all matters relating to the REMS Discipline.

Members shall be approved by the FIRESCOPE Task Force and may include, but are not limited to:

- State agencies such as CAL FIRE, CAL OES-Fire and Rescue Division
- Federal agencies with fire suppression responsibilities
- Local fire agencies representative of the CAL OES Mutual Aid Regions, cities, counties, and rural areas.
- Associate Advisors may be assigned from interested non-fire service groups to provide technical expertise with the approval of the Task Force.

OFFICERS

The chair will be responsible for managing the group to accomplish the identified plan of work in accordance with the FIRESCOPE Decision Process. The vice-chair will act in absence of the chair. The secretary will be responsible for ensuring that the minutes and related documents are recorded and submitted to the Task Force.

The officers will be elected, from the membership, on an annual basis, by a vote of the members. The term will run from January 1st through December 31st.

MEETINGS

Meetings will be held as necessary to accomplish the goals and objectives. Meetings will be held periodically, but at least annually, and not to conflict with Task Force meetings.

At the direction of the group, the chair will form subcommittees for specific tasks. The subcommittees may hold meetings to accomplish those tasks. The vice-chair will be the point of contact for these subcommittees who will report back to the group.
