TO: FIRESCOPE TASK FORCE MEMBERS

As agreed to, the Task Force Meeting scheduled for May 22, 1986, at the OCC, has been canceled.

Our next Task Force Meeting is scheduled for June 5 and 6, 1986, at VNC Headquarters.

John Linder will not be able to make this meeting. I would like to suggest we contact Jim, when he gets back on duty on May 27, 1986, to see if we can reschedule the meeting for a later date.

I believe John needs to be at the meeting because of the project he is working on for the Task Force.
