

Operations Team Meeting  
Ontario Airport Conference Room  
November 9, 1981

- I. Approve Notes from Previous Meeting ..... Irwin
- II. Previous Meeting Action Items ..... Monesmith
- III. Review Agenda and Set Priorities ..... Irwin
- IV. Recap Board of Directors Meeting ..... Irwin

Background: Significant decisions were made during the October Emergency Board Meeting. As a result of these decisions a key question must be answered. How should we go ahead with Decision Process(es) for:

- 1. Operation and Maintenance within FIREScope Region
- 2. Extension State-wide
- 3. Inclusion of other Emergency Services practitioners.

Action Requested: Prepare recommendations for Board approval during their January meeting.

- V. Transition to National ICS ..... Creasey/Brown

Background: There is a need for the FIREScope Region to transition from the ICS as we know it today to the ICS now being implemented by Ione for statewide and National application. The changes are minor, however, there are some things we can do to expedite the transition and reduce confusion. The Program Office and Ione presented recommendations to the Task Force. The Task Force summarized these into a list of four recommendations for Operations Team approval.

Action Requested: Review Task Force recommendations and approve if acceptable.

- VI. ICS Training Prerequisites ..... Creasey

Background: In order to continue with ICS Course Development, sequential course prerequisites must be established. They will have the effect of applying the correct degree of training to the appropriate responsibility level within ICS. The Operations Team agreed to training prerequisites conceptually during the April 16 & 17, 1981 meeting. Specific training prerequisites have been developed by the Training Specialist Group and the Task Force and are ready for approval.

Action Requested: Review recommended training prerequisites and approve if acceptable.

VII. Program Office Report ..... Irwin

-Budget and travel constraints

-Development of Fire Behavior Officers courses for Southern California.

VIII. January Board of Directors Meeting ..... Monesmith

Background: In order to adequately be prepared for the January Board meeting it is necessary to determine the agenda topics at this time.

Action Requested: Develop agenda topics.
