

TASK FORCE MEETING # 83-8
April 6, 1983
USFS Pasadena (ANF)

Attendance:

A. Moncrief, LAC, Chairman
C. Anderson, OES
K. Hammond, VNC
M. Barrows, USFS
D. Castleman, CDF
C. Creasey, LFD

Absent:

H. McElwee, SBC

Guests:

J. Monesmith, USFS

1. Approve minutes for meeting # 83-7. Approved as distributed.
2. Set agenda priorities:
 - A. Base or Camp Manager - T/F
 - B. Resource Order Form - Barrows
 - C. PIO Certs & Quals - Barrows
 - D. Quals & Certs Cover Letter - Creasey
 - E. MACS Procedures 410-1 - T/F
- A. Base or Camp Manager (I-254). Review continued from last meeting. Review was made thru page 40. It was determined that further review and consideration be suspended until such time that J. Monesmith discuss same with R. Griggs.

NEW BUSINESS:

Letter from the "Ground Operations Development Committee" addressing major concerns they have regarding the Strike Team Leader packages being taught before finalization and other concerns they have regarding the approval process for other training packages. Task Force approved submitting a copy of this letter to the Ops Team for their information. D. Castleman abstained from voting on this item.

- B. Task Force approved the Resource Order form, MACS 420 as modified by the Task Force. A letter was prepared for the Ops Team to recommend approval. A copy of the Resource Order Form under consideration by the USFS and CDF was also sent to the Ops Team in addition to the aforementioned MACS 420.

- C. PIO Certs and Quals was presented by M. Barrows to the Task Force for review. Task Force approved document for submission to the Ops Team for their consideration.

- D. A sample cover letter for the Quals & Certs System grandfathering form and its use was presented by C. Creasey. The letter as modified will be attached to the form which will be submitted to the Ops Team for their consideration.

- E. MACS Procedures 410-1 was reviewed by the Task Force. Cover letter to be prepared for Ops Team delineating those minor changes needed. SSM will be contacted to review any comments, additions or changes prior to Ops Team meeting.
