

TASK FORCE MINUTES #91-2 3

April 22, 1991
VNC Headquarters, Camarillo

PRESENT:

Bob Wineman, LAC
Ralph Alworth, CDF
Larry Whelan, VNC
Mike Colgan, ORC
Claude Creasey, LFD
M. Dougherty, USFS

I. NWCG

Response to NWCG Certs & Quals. Response approved by BOD.

II. PC for T/F Meetings

Mike Dougherty to look into the possibility of obtaining a desktop PC for use by the Task Force at meetings.

III. NWCG/Fire Ground Command

Discussion of Board's decision on ICS/FGC. See Attachment 1 & 2.

IV. HazMat Specialist Group

Letter sent to Chair outlining Plan of Work. See Attachment 3.

V. Communications Specialist Group

Minutes of group's March 21 meeting distributed and discussed.

Mike Dougherty cannot attend next meeting, Claude Creasey will represent the Task Force.

VI. Major Medical

The Task Force is still in the process of obtaining the final Lesson Plan for approval and forwarding to the Operations Teams. Ralph will check on this.

VII. USAR

Due to Marshall's current situation, Mike Dougherty will attend the USAR North Meeting in Sacto. Bob Wineman will attend USAR South when scheduled.

VIII. Info Item

The Operations Team South has no Chairperson at the present time. Mike Scherr (OES) has resigned as Chair and the Operations Team South has not selected a new Chair.

IX. Agency Rep

The Task Force reviewed the final draft of the Position Manual and Instructors Guide.

Revisions and corrections were checked and found to be done with the exception of two late responses.

The Task Force approved the document, with changes, and will forward to the Operations Teams with a recommendation for approval.

X. MACS Contact Points

Each agency is to review and update. Then send to Lee Firth, FAX 714-782-4239.
