Mixes SOP, Organization Chart, etc.  
Tactics Skills

II. Need for Job List for Task Force  
Periodic Review

III. Document Control Point at National Fire Academy

IV. USCG Hazmat Exercise

OES observed. Critique identified need for Coast Guard to get into ICS.

Standard Oil Co. contacted CDF re ICS.

V. City of Escondido operations plan for EOC.

VI. Minutes of 7/27/89

**Browning, Whelan, approved as written.**

VII. Urban Search and Rescue

Ops. Team direction

OES Ontario Office - Dick Andrews

Meeting 8/18/89 - fire service

Questionnaire Senior Instructors

Purposely kept group small.

U.S.A.R. N.A.S.A.R.

Provide statutory authority for fire service jurisdiction in S.A.R.

Include all S&R

VIII. Decision Process 410-4

Clarify partner/member agency status - specialty groups - votes

IX. Multi-Casualty ICS Branch Status

Description Manual - done

Position Manual - done

Instruction Manual - being written

Forms - being developed

Approved numbering concept for specific disciplines using ICS format

300 Multi-Casualty

400 Hazmat

500 To be assigned

Jim Jeffery to coordinate completion

August 30, 1989

I. Miscellaneous

A. OES Fire and Rescue Chief

Recruitment status, 7 apps., reopened, 6-7 more, middle Oct. earliest possible date

B. Decision Process Control Form

Form completed, Process not finalized.

C. Mapping Program status

Dave Kehrlein hire, programmer/coordinator, Tuesday 9/5/89 orientation with Manzo and VNC Mapping Program

D. FIRESCOPE Video

NFA may do it there, Ch. Manning still has offered to do it.  
American Heat - intro to ICS

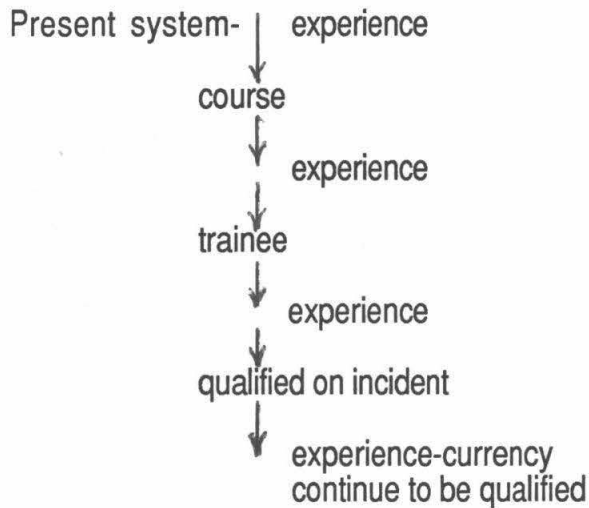

Claude will bring to next meeting. Larry will bring NFA tape "Out of Chaos".

II. Task Book review - mailing list

3 year project NWCG Training Work Team. Command and Skill review. I-Course need. Analyze all positions. Identify tasks. JPRs - job performance requirements. Subject matter experts. Include tactical, management, and ICS skills. Use info to develop modules, units, and courses to teach each subject. End result - Federal system - school and trainee (evaluation/signoff) Task Book for each individual.

Problem - carded people not qualified on incidents.

Lack of: ICS Advisors  
Experience on job in position  
Documentation (perf ratings)  
Training for people that do training  
Qualified instructors

Concept partly ok  
Fewer tasks  
Smaller document (pocket size)  
Consistency between positions  
\* Split ICS from tactics and any other

III. Videotape

Sierra Front Wildfire Cooperators

III. Next Meetings

September 21	ORC	October 10-11, 1989	TBA
NWCG wk of 10/16/89		October 24, 1989	TBA
