

TASK FORCE MEETING #83-26  
LFD STATION NUMBER 88  
DECEMBER 16, 1983

Attending: C. Anderson, OES, Chairman  
A. Moncrief, LAC  
D. Castleman, CDF  
M. Barrows, USFS

Absent: C. Creasey, LFD  
K. Hammond, VNC  
H. McElwee, SBC

Guests: J. Stumpf, USFS  
D. Nelson, USFS  
D. Hansen, LAC  
R. Praytor, OES

1. Minutes of Task Force Meeting #83-25, December 7, 8, and 9, 1983 were approved as written.

2. Agenda

- A. Review NWCG Certs and Quals System
- B. Review proposed cover letter for FIREScope Program Update Report.

2A. NWCG Certs and Quals System was presented by Dave Hansen, LAC and Dave Nelson, USFS. Request made for individual review and input as to personal comments and preferences. "FIREScope" Task Force consensus was not provided.

2B. M. Barrows presented Draft Cover Letter to be attached to the Program Update Report. Letter was approved by Task Force to be attached to above noted document.

Note: Time frame schedule to send out Draft FIREScope Program Report Update for review and comment by Task Force members - as requested by Operations Team Chairman.

- 1. To Task Force members by 12-21-83 via mail.
- 2. Return with only grammatical and editorial changes by 12-28-83.
- 3. Completed document to Operations Team on 12-30-83.

Except for number 1 this schedule was rejected by majority of Task Force members present.

Above time table was discussed with Task Force members who determined that another Task Force meeting would be held on 12-29-83 at the O.C.C. in Riverside at 0900 hours to review Draft Report Update. Task Force further determined that final report would be provided to the Operations Team Chairman at their earliest convenience.

Next Meeting: December 29, 1983 - 0900 hours  
Operations Coordination Center, Riverside

Next Meeting Agenda:

1. FIRESCOPE Component Update Draft Review and Finalization
