

TASK FORCE MINUTES #91-1

February 12, 1991

PRESENT:

Bob Wineman, LAC
Ralph Alworth, CDF
Larry Whelan, VNC
Mike Colgan, ORC
Claude Creasey, LFD
M. Dougherty, USFS
Marshall Goddard, SBC

Minutes:

Ralph motioned to approve the minutes for September, October, November, and December. 2nd by Marshall. Approved.

Mike Colgan to attend the April 2, 1991 FIREScope Advisory Board of Directors Meeting.

Correspondence:

- Letter from Scherr to USAR Members
- Letter from Task Force to Scherr approving Haz Mat OSD
- Task Force Report to Ops Team
- Letter to Maxfield to Barkow stating the FIREScope Decision Process position on the proposed law enforcement changes to ICS

I. Information Specialist Group

Ralph Alworth will prepare a letter to CDF PIO in Sacramento outlining the responsibilities of the Information Specialists Group in the Decision Process.

II. USAR

A. Marhsall gave an overview of OES's effort to identify USAR qualified individuals.

B. The group discussed the Draft Resource Typing for USAR Task Force. The group directed that for an interim use the presented draft would work until USAR Specialist Group develops the position manuals and the OSD for USAR.

III. Future Task Force Meeting Dates

March 6 & 7 - Los Angeles City

April 15 & 16 - San Jose

May 14 & 15 - Buellton

IV. The Task Force finalized our response to the Ops Team on ;the NWCG Certs and Qualls proposal.

V. The Task Force drafted a letter to the Ops Team North and South outlining the groups concerns on the upcoming Fire Ground Commander Seminar proposed by Chief Brunacini.

The Chair will discuss these issues with the Ops Teams during their February meeting.
