I. Minutes of January 6 and January 14-15, 1988

**NELSON MOVED, BARROWS SECONDED, MINUTES APPROVED.**

II. Task Force direction was discussed. Concerns:

1. Where (who) is direction coming from?
2. How does new direction impact ongoing projects?
3. Little or no written direction Ops to Task Force.
4. What about Task Force project recommendations and approved priorities?
  - A. All Risk discipline development
  - B. Agency Rep Lesson Plan development
  - C. Results of recommendation for NWCG Representative in Decision Process
5. Who sets Task Force priorities?
6. Ops reaction not converted to action or direction.
  - A. What does "that's a good idea" mean?
  - B. What is Ops "ok", but no specific task relationship to other ongoing projects?

III. Decision Process Committee

They will review MACS 410-4. Dan discussed and requested input.
