FIRESCOPE
TASK FORCE MEETING
ANGELES FOREST HEADQUARTERS, PASADENA
January 21, 1980

Attendance:

G. Lund VNC, A. Masoner P.O., M. Harris CDF, M. Scherr OES,
G. Dinger LFD, M. Barrows FS, H. McElwee SBC, T. Haney TEMJAM.

1. Operations Team meeting (1-17418) report.
 - a. Washington, D.C. trip by Chief Bragdon, Chief Springer and Bob Irwin was reviewed.
 - b. 1981 proposed budget and matching fund issue was explained.
 - c. Training
 - . Responsibilities:
 - Program Office - fund training development
 - Partner Agencies - support training development and assist fire department "neighbors"
 - OES/State Fire Training - train other fire departments
 - . Orange County Fire Chiefs Association will be invited to participate in the FIRESCOPE Training Specialist Group activities.
 - d. Task Force will be provided with a copy of the latest "decision process" being revised by Roger Land.
 - e. NACS/OCC facility. Ops Team will recommend to the Board of Directors that an OCC site prospectus be done for the Riverside CDF Region VI location. Justification and alternatives will be identified.
 - f. Distribution of the OES resource inventory and FIRESCOPE attachment was discussed.
 - g. Approved with minor change the cover letter and the summary analysis of the September fire activity.
 - h. Discussion of partner agency participation at the Task Force level.
2. Reviewed with Bill Mauger, from Dana White Corporation, the contract work on the "Strike Team Leader" and "ICS General Familiarization" slide tape outlines.
3. Program Office report by Arnie Masoner.
 - a. Synthesized mobile radios (12) will be distributed to partner agencies next week. The agencies are responsible for installation and maintenance.
 - b. There will be a meeting February 6, 1980, with CDF to identify the training course development contract.
 - c. Communications Group will be asked to develop specifications for FIRESCOPE mobile communication units and to

- inventory existing units with the possibility of funding changes to bring them up to the FIRESCOPE specification.
- d. Task Force needs to review list of computer terminal locations and make recommendation on location priorities. Mike Scherr will verify locations and prioritize, as much as possible, for Task Force review February 4th.
 - e. There are problems in getting the two new Mitel telephone switchboards installed. Arnie is working on the issue.
 - f. Automated weather station (METS) testing will begin next week at the Fire Lab.
 - g. There will be a Program Office management meeting February 14 and 15, G. Lund will attend from the Task Force.
 - h. Mike Renslow and representatives from the Western Mapping Group will meet February 7th with the Program Office.
4. Terry Haney reviewed the FIRESCOPE contract.
- a. A committee to develop the ICS Finance Section will consist of: A. Masoner, M. Harris, M. Barrows and one additional member each from the CDF and USFS. They will be identified by the February 4th Task Force meeting.
 - b. Training course development support.
 - c. MACS development support.
 - d. Technical material updates.
 - e. Etc., Etc., Etc., Etc.

Scheduled Meetings:

Task Force

Monday, February 4th, USFS Arcadia Service Center
