General Discussion

Marty Barrows handed out the Phone/Mailing List for the FIRESCOPE groups and asked Task Force members to review and get any comments back to him.

Red Flag Alert was discussed by Task Force. Ops Team referred this back to original Specialist Group (P.I.O.) for completion. Not a Task Force job.

- 3A. PIO Certs and Quals - Task Force had not received all the input from Operation Team members - postponed.
- 3B. Training Specialist Charter was approved by Task Force as written from the September 13th meeting and will send to Training Specialist Group for their review. (Note: Charter was reviewed with those group members in attendance at the joint meeting held on September 20th at OCC.)
- 3C. Task Force Job List was discussed with Task Force preparing additional Job/Task items for Ops Team review and information. Task Force Chairman to write cover letter. (Note: Ops Team did not discuss Task Force Job List at their last meeting.)
- 3D. Historical File was discussed by Task Force who identified the problem of not having a "central" location for FIRESCOPE data since the program office closed. Task Force prepared a position paper with recommendations for a solution to be presented to Ops Team. Chairman to write cover letter.
- 3E. Update on Resource Typing was reviewed with individual responsibility for each item identified with further provision for those members to report back at the Task Force Meeting of October 17, 1983.
- 3F. 1984 OCC Exercise was briefly reviewed for the purpose of adopting an agenda for the Task Force, Training Specialist Group Joint Meeting scheduled for September 20th at the OCC.

- Agenda:
- A. Present proposed Charter
  - B. Review 1984 OCC Exercise
    - 1. Determine next step
  - C. Specialist Group set their next meeting date to
    - 1. Review Charter
    - 2. Elect Chairman
    - 3. Begin work on exercise

September 20, 1983

Attending: C. Anderson, OES, Chairman  
K. Hammond, VNC  
D. Castleman, CDF  
A. Moncrief, LAC  
M. Barrows, USFS  
C. Creasey, LFD

Absent: H. McElwee, SBC

Guests: M. Colgan, ORC, Training Specialist Group Chairman  
P. Kerrigan, CDF, Training Specialist Group  
G. Girod, VNC, Training Specialist Group  
J. Stumpf, USFS, Training Specialist Group

3G. Classification of Incident Typing on 209 was discussed briefly by Task Force who generally agreed that they were unsure of the exact problems and would need further clarification by M. Scherr (acting SSM). Item postponed.

3H. The Training Specialist Charter was reviewed and discussed by those members present. Some areas of possible confusion or additional clarification were noted. Training Specialist Group will review entire document and report back to Task Force.

3I. The purposed 1984 OCC Exercise was presented by M. Barrows and discussion followed with review of the Scope and Concept paper. Training Specialist Group will review document at their next regular meeting and initiate work for the Exercise. Task Force Chairman and Vice-Chairman to participate as Liaison as much as possible.

M. Colgan representing Orange County requested that they be allowed to participate as a real player rather than a role player. With the concurrence of M. Scherr the Task Force approved this request.

Several potential meeting dates were proposed for the Training Specialist Group to conduct their next meeting, 9/28/83, 10/5/83, 10/13/83, or 10/14/83 with possible location at L.A. County Camp 2 facilities. Chairman M. Colgan will pursue the task of setting the time, date, and location and forward information to OCC for proper distribution to all interested parties.

Note: Future Task Force Meeting Dates/Changes Update:

1. Next Meeting: October 6-7, 1983 (1 additional day)  
Agenda: Review Incident Commander Course (I-500)  
Place: Diamond X Ranch, Malibu (Map enclosed)  
Time: 0900

(K. Hammond is handling all lodging for members.)

2. Task Force Meeting - October 17, 1983 (1 less day)  
Agenda: To be determined at Oct. 6-7, 1983 meeting  
Place: Proposed Los Angeles County Camp 2  
Time: 0900

3. Task Force Meeting - November 2-4, 1983  
Place: CDF Training Academy, Ione

This meeting is being arranged to familiarize Task Force members with the Ione personnel who are responsible for developing the many courses for the FIRESCOPE Program. With the closing of the Program Office and the transfer of that responsibility to Mr. Kenton Clark, Assistant Director of Aviation and Fire Management, United States Forest Service in San Francisco this meeting will also provide time to alleviate any mutual concerns or other potential obstacles which might impede the timely and orderly flow of documents through the Decision Process.

Air travel arrangements are being handled by M. Barrows.

Ground travel at Sacto/Ione, food and lodging are being made by Dan Castleman.

Additional information including time scheduling will be furnished at a later date.
