Roy Creel, VNC  
Terry Haney, TEMJAM  
Dick Perry, VNC

Jerry Monesmith, USFS PO  
Arnie Masoner, USFS PO  
Don Oaks, SBC  
Claude Creasey, LFD  
Roger Land, OES Support/Service Mgr.  
9/24 only

1. Terry asked Task Force members to get their comments on his proposed ICS questions to him ASAP.
2. Task Force made final approval on Appendix B (ICS organization development) of the O.S.D. Appendix B will be included in Appendix A (Organizational Guide) of the O.S.D. Marty and Bob will put together final package of Appendix D (Action Plan) which will become Appendix B. A decision was also made to eliminate the present Appendix C (General Instruction & ICS Supervision) from the O.S.D.
3. Task Force agreed with the recommendation from the Program Office that we have top management awareness sessions on ICS and that ICS advisors be assigned to incidents. This will be presented to Operation Team for approval.
4. Decision was made on rotation of the Task Force chairmanship and duties. (see Attachment #1)
5. Decision was made on final Task Force interpretation of MACS goals. They will be presented to Operations Team for approval.
6. Dick gave a report on the communication group meeting of Sept. 23. The group has a concern about direction they are receiving from the Task Force. Task Force should give better direction. There was a discussion on work assignments for the communication group (see Attachment #2).
7. Dana White presented the final showing of the 27 min. Strike Team Leader slide/tape. Approved by Task Force. Decision was made to use Question Slides in the ICS Gen. Fam.
8. Jerry presented the Computer Program Development sequence and approval steps. Rough draft of computer program of work was discussed by Jerry. Task Force was in agreement with this approach.
9. The rewrite of the Transfer Lesson Plans is about ready for Task Force review.
10. Terry discussed Nick Moelter's letter on RESTAT unit training. Task Force members to get comment to Terry by next Task Force meeting.

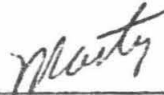

FIRESCOPE Task Force Meeting  
Sept. 24 and 25, 1980  
Santa Barbara Co. F.D.

11. Terry handed out a rough draft of his analysis on the use of the ICS on the Dry Falls Fire. He still has to meet with two more people before he can prepare the final report. Looked good - nothing we didn't already know.
12. A hand held I.R. demonstration was put on by Cheryl Ingersoll of:  

Infrared Sales & Service  
P.O. Box 86  
Coeur d'Alene, Idaho 83814  
(208) 667-9739
13. After the cancellation of our Pasadena meeting of Sept. 17, it was recommended and approved that if we have to cancel a Task Force meeting we do it 24 hours before the scheduled meeting.
14. Marty discussed what he would be covering at the Operation Team meeting.
  - o Letter on Horse Fire.
  - o Get approval of Information Procedures at OCC.
  - o Get approval to establish S&R Section work group.
  - o Get approval of Task Force Interpretation of MACS goals.
  - o Working on MACS.
15. Roger discussed his approach (outline) to transfer of MACS/OCC support function from the FIRESCOPE Program to OES. Very questionable at this time, to many unknowns. Task Force agreed with his approach.
