

FIRESCOPE GIS WorkGroup – Conference Call Notes – June 13, 2011

Attendees: Lorri Peltz-Lewis (USFS), Mark Rosenberg (CAL FIRE), Kris Higgs (CALEMA), Rich Strazzo (CAL FIRE), Dave D. (CAL FIRE), Tim C. (CAL FIRE), Tom G. (LA City),

John Sandmeyer (San Diego Co) – attempted to join the meeting – Lorri will work on getting an 800 number for future meetings.

Agenda:

MOU out for signatures - status updates – Lorri – FWS has the MOU for signature now. Only NPS and USFS left. Hopes are to still have this fully signed by the end of June.

Issue Paper - GSTOP - updates, final discussions, consensus – Lorri – reviewing comments in the document. Consensus and voting on each one of the outstanding elements. See notes in word file. Final draft prepared, final review by team, will be submitted to FIRESCOPE Task Group for approval in June's meeting.

Issue Paper - S-341 Class Recommendations - updates, discussion, consensus – Lorri – Consensus and voting on each one of the outstanding elements. See notes in word file. Final draft prepared, final review by team, will be submitted to FIRESCOPE Task Group for approval in June's meeting.

Issue Paper - Membership Issue Paper - any additional members? Tom & Lorri – Tom not on the call – status – at least 2 folks have come forward. They are getting approval now.

Previous Meeting notes:

May Notes – confirmation – accepted.

Announcements:

DHS Conference – Lorri will provide feedback.

ESRI Conference – Thurs is the best time for getting together? Anytime after 5PM – meeting location will be sent out before the conference – Hyatt Seaport top floor (rest/bar)

Working Session - Issue Paper - Symbology – HOLDING till the July 26th - please be prepared by reviewing the Symbology information provided in email on June 13th. Rich Strazzo will be conducting this working session. The tasks we are specifically looking at are the ones listed below.
