

FIRESCOPE GIS WorkGroup – Conference Call Notes – April 6, 2011

Attendees: Lorri Peltz-Lewis (USFS), Rich Strazzo (CAL FIRE), Kris Higgs (CALEMA), Mark Rosenberg (CAL FIRE), Kelly Larvie (CAL FIRE)

Discussing GISS Hard Drives –

Action Item – Lorri will write up updated plan for collaboration effort. Mark will send over the current plan for Lorri to update. DONE.

Action Item – Kelly reviewing the CAL FIRE hard drive and cross walking to theme spreadsheet.

March Meeting notes – Lorri – 1 more week review. Email approval.

Membership Status – Tom D, Lorri, Team – two people have responded, but not through the Task Group. The Task Group needs to identify appropriate staff and provide the contact name and geospatial skills the staff member has.

Action Item – Lorri will put together a standard resume/application form for this. DONE Review document titled: 2011_FIRESCOPE_Membership_ExperienceBackground_Form.doc

Action Item Log Review – Lorri, Team – quick review of Issue Papers out for review and under development.

GSTOP Review – Team – holding for next working meeting – will include the following Action Item

Action Item – Lorri will write up her notes and combine with Rich's notes in the Issue Paper format. This will go out to the GIS SG and the S-341 CA Cadre for review. Mark & Rich will consider this going out for review to the CAL FIRE Focus Group.

Kris on vacation till early May.
